

Extension | Protect and communicate

Name: _____ Class: _____ Date: _____

Collect this paper when your main practice is complete. Answer independently before collecting the marking sheet. Keep your original score, then explain one correction.

Source	Original question	Marks
June 2019	03.3: network security	6
June 2019	03.4-03.5: email and web protocols	2
June 2025	08.2-08.3: email confirmation and updates	3

Total: 11 marks. This extension can be finished in a later lesson if time is short.

Write answers in the original spaces. Upload a clear photo of each completed page to your revision notebook.

Reproduced from the OxfordAQA papers supplied for classroom use. Questions have not been adapted.
